Activities of the Commission

Meetings

The Commission held three (3) regular meetings during the year to deal with normal business.

One Training Committee meeting was held on April 19th, 1990.

Visits

The Executive Director, the Acting Director of the Saskatchewan Police College and the Commission Officer continue to make on-site contact with the police departments around the province on work related matters and informal visits to ensure two-way communication is ongoing between the Commission, Boards, and the police community.

Crime Prevention

The Commission continues to give high priority to initiatives and efforts to reduce crime in the province. The increasing attention and involvement by the public at large is noteworthy, which is the result of the police and the public working towards a common goal — a safer community.

Neighbourhood Watch

A Secure Lifestyle

The Executive Director acts in a co-ordinating role, bringing the crime prevention officers, representatives of the Federal Solicitor General's Consultation Centre (Prairies) and the Minister of Justice together on a semi-annual basis to evaluate programs, identify needs, and to share new ideas and material.

The Crime Prevention Co-ordinators with the various police departments in the province are as follows, as of March 31st, 1990:

Regina — Sergeant Larry Toupin
Saskatoon — Sergeant Al Brooks
Moose Jaw — Constable Gerry Antosh
Prince Albert — Corporal Eldon Laird
Estevan — Constable John Chester
Weyburn — Sergeant Mike Rogal
RCMP — Sergeant H. B. Letain

The private sector provides excellent support for the various programs through publicity material, brochures, handouts, stickers, etc.

The Commission with the assistance of James Harding, Chief of the Halton Regional Police brought Mr. Tom Dykes as a content expert to our crime prevention co-ordinator's meeting on October 4, 1989. Mr. Dykes is contracted to Halton Regional as an Education Consultant. His programs are seen to be in the forefront of police community relations initiatives. It was interesting to note that there was a close similarity between programs delivered by our police and his programs.

Public Complaints

The following represents the number of complaints received by this Commission during the past four years. The complaints were against Municipal Police officers and members of the Royal Canadian Mounted Police that received the attention of the Commission Officer, Mr. Gary F. Treble:

Municipal Police	RCMP
1986-51	1986-4
1987-68	1987-5
1988-37	1988-4
1989-36	1989-8

The complaints were concluded to the following categories:

* Substantiated	8
** Unsubstantiated	5
Unfounded	16
Abandoned	7
* Discipline was administered under the Municipal Police Discipline Regulations.	
** Insufficient information to either prove or disprove the complaint.	

Ombudsman's Review of Complaints

None of the complaints received in 1989 by the Commission were referred to the Ombudsman for review.

Canadian Association of Chiefs of Police

The Executive Director is an associate member of the above Association. He participated on the Operational Research Committee, the Training Committee, and worked on a Canadian Standards Board Steering Committee on Police Ammunition Standards.

Canadian Police College

The Executive Director continues to represent Saskatchewan on the College Advisory Committee and attended the meeting at the College on April 25th, 1989.

The Commission acts in a co-ordinating role between the police departments and the national College in the allocation of spaces for courses and the attendance of various officers. In 1989 candidates from the following departments attended the Canadian Police College:

Police Department	No. of Candidates
Regina	22
Saskatoon	21
Moose Jaw	8
Prince Albert	4
Estevan	3
Weyburn	3

Fourteenth Annual Symposium of Provincial Police Commissions

The 1989 Symposium was hosted by the Quebec Police Commission in Quebec City on September 20th to 22nd. Vice-Chairman Jacelyn A. Ryan and the Executive Director, Bill Graham attended the symposium.

Complaints to the Human Rights Commission

A determination of the Human Rights Commission is awaited in relation to a long standing complaint. The issue is one where a police applicant had been rejected and is claiming discrimination due to a physical disability.

The Human Rights Commission and this Commission continue to meet informally to ensure compliance with the Human Rights Code.

Appeals to the Commission

There were two appeals to the Commission by police officers.

A sergeant appealed an official written warning issued by a senior officer. The appeal was to be decided by a review of the record. After considering representation from counsel the Commission allowed the appeal.

A constable appealed his dismissal of an offence of discreditable conduct and further that he was unfit to perform his duties. The conviction was confirmed as was the sentence of dismissal.

An application on behalf of the constable for a writ of certiorari was filed in the Queen's Bench, Q.B.M. No. 291, A.D. 1990 J.C.R. The application was dismissed.

RCMP Public Complaints Commission

The formation of this Commission resulted in a transfer of complaint review from this Commission. Our former Chairman Donald K. MacPherson, Q.C., was also a member for Saskatchewan of the RCMP Public Complaints Commission. Upon his appointment as Chief Justice of the Saskatchewan Court of Queen's Bench he resigned from both Commissions.

The Executive Director continues close liaison with the Chairman and his staff of the RCMP Public Complaints Commission.

Saskatchewan Police College

Police Training

The Saskatchewan Police College, with offices and classrooms located at the University of Regina is under the authority and control of the Saskatchewan Police Commission.

The principle objective of the College is to provide training for all municipal police departments in the province.

Courses are offered for all levels of personnel, from recruit to management. Courses for recruits, junior constables, senior constables, effective presentations and introduction to management are offered semi-annually. Other courses and seminars are offered on an annual basis or as needs are identified.

Police training in 1989/90 continued to address many of the issues relevant to policing entering the 1990s. Course curriculum continued to be evaluated, researched and adjusted as material became new or redundant. One recruit class took place during the year and in-service training filled out the remainder of the calendar year with a variety of courses.

Police officers from Saskatchewan are allotted spaces at the Canadian Police College in Ottawa. Current trends however indicate a withdrawal of space allocations from the

federal training institute for Saskatchewan police officers, creating additional pressure on the Saskatchewan Police College. Multicultural training and drug enforcement received high priority throughout the year. A new two-week Drug Investigator's course was introduced into the curriculum to address the ever-increasing presence of drugs in our society. New investigative skills and the ability to give expert testimony in court requires our increased attention in this area.

Present curriculum development is underway to address more advanced drug education for the public at large and, in particular, our younger people. Although our in-service programs strive to meet all the needs backlogs still exist.

A total of 412 candidates were trained in the year.

Three courses were decentralized from the Police College and took place in Saskatoon. In addition to the scheduled courses during the year, administrative and instructional staff attended nine other courses, conferences and seminars dealing with a variety of topics from the Systems Approach to Training Design and Delivery to Cult Mentality and Occult Offences.
